ASE 2018**RENEWABLE ENERGY, EV
TECHNOLOGIES IN FOCUS**

Energy Minister Siri Jirapongphan, recently presided over the opening ceremony of Asean Sustainable Energy Week 2018 (ASE 2018) showcasing technologies in renewable energy and the advancement in electric vehicle (EV) technology.

"Thailand will increase renewable energy up to 30 per cent of total capacity in the year 2036," Siri

said at the event.

ASE 2018 features technologies, innovations and solutions for Integrated Energy from over 1,200 brands from 45

countries. The event is being held from June 6 to June 9 at Bangkok International Trade and Exhibition Center (BITEC), Bangna.
